**Please, share with us below any other feedback that you may have on the training module**

Training module <sup>shows</sup> interesting experiences and case-studies to promote the culture of active ageing in the workplaces. I think it would be useful to implement a paper (or other tool: website or an app) collecting all the experiences of management and promotion of active ageing in the different workplaces of European countries. It's important to spread the knowledge of organizational models.

Please, choose one option below:

I am an employer	
I am a union rep	✗
