

Active ageing through Social Partnership
and Industrial Relations in Europe

STATEMENT OF INFORMED CONSENT

The research project Active Ageing through Social Partnership and Industrial Relations Expertise (ASPIRE) aims to understand processes through which social partners develop, pilot and implement active ageing interventions (including collective agreements) and reorient away from a collusion toward early retirement. The ASPIRE project is funded with the financial support of the European Commission, DG Employment, Social Affairs and Inclusion, budget heading VP/2016/004 (Grant agreement VS/2016/0379), Industrial Relations and Social Dialogue.

Based on the information given above and the information I have received about the research project and my role as an interviewee:

- 1) I agree to participate in this interview conducted by Paolo Tomassetti, ADAPT Research Fellow.
- 2) I agree that this interview is audio-taped and transcribed (and translated into English if necessary).
- 3) I agree that the data is used for research purposes within the aforementioned research project, and that my name and the name of my organisation will be anonymised.
- 4) I agree that the anonymised transcript of the interview is deposited at the UK Data Archive.
- 5) I understand the terms with which the interview will be conducted and material used, as described above and as agreed by me on this form. I have had the opportunity to ask questions about the research project, about the interview and about how the data is being used.
