## Non-professional Interests

I am a sociable and extrovert boy. I love working in groups and getting to know other people's points of view. I'm curious and I'm very interested in meeting new people and new contexts. I love diversity and I believe it is possible to improve our communities only by not leaving anyone behind. I am passionate about local and national politics and I do political activity in my city. I think traveling is a pleasure but also a duty to know something and someone different from me. I like doing sport. Being able to experience the city of Milan I like to discover the city through the many cultural activities that it offers
