

Filippo Giacomo Fumarola

Milano (Mi)

filippogfumarola@gmail.com

Born on September 17, 1997

(+39) 3277495016

Professional Skills:

Legal Skills: Thanks to my university path and work experiences, I have acquired the ability to navigate within legal language.

Competence in Legal Writing and Regulatory

Analysis: My experience as a high-level training and research apprentice and as a technical consultant for public administration has allowed me to develop skills in legal article writing and detailed analysis of complex regulations, as evidenced in my upcoming article for the Nuova Professionalità magazine.

Competence in the Implementation of Public

Policies: Starting from my academic studies, I have applied my knowledge, consistently refining a method, for the drafting of regional laws aimed at implementing European and national public policies, especially in the field of vocational education and training and the promotion of Made in Italy and craftsmanship.

Computer Skills:

Word Processing: Highly specialized

Spreadsheets: Highly specialized

Office Suite: Highly specialized

Web Browsing: Highly specialized

Programming Languages: Python (basic knowledge)

Web Programming: Basic knowledge

Database Management Systems (DBMS): Basic knowledge

Education:

High-level training and research apprenticeship (3rd Level apprenticeship) in progress in the first year at Adapt (School of high-level training in occupational transitions and labor relations);

Master's degree in Law (LMG-01) obtained on 22/06/2022 from the University of Milan, with a thesis in labor law entitled "Training in the employment contract and in the labor market" supervised by Paolo Tomassetti and Maria Teresa Carinci;

High School Diploma in Scientific Studies obtained at F. Severi Scientific High School (Milan) in 2016.

Professional and Work Experiences:

February 2023 – Present: ADAPT Junior Fellow.
