January 2024 –now: **ADAPT Junior Fellow.**

June 2023– now: **Volunteer Operator SCU.**

Volunteer within the project "Jiguéen doolé: the economic strength of the women of Pikine East' aimed at women's empowerment in collaboration with the NGO Solidarietà e Cooperazione – CIPSI.

- Organisation of awareness-raising events on issues such as gender equality, children and women's rights, in a context of inclusion in the world of work and community life;
- Implementation of training courses for the development of income-generating activities and professionalisation courses for the women's community;

- Assistance and support towards the legal formalisation of groupements des femmes, **Scuola di formazione in transizioni occupazionali e relazioni di lavoro**

www.adapt.it - formazione@adapt.it

- Updating the existing cartography of the groupements de femmes of Pikine East, through the registration of new groupements joining Gioff, and supplementing the same cartography with new data on informal traders resulting from the social field research;
- Activity of free legal consultancy at the office of "Boutique des droits";

April 2022–November 2022: **Academic Tutor**

- Guidance and support activities for students at TOLC tests;
- Reader tutor;
- Management of the TOLC entrance test in presence and remotely.

May 2022–July 2022: **Intern at the Bologna's Juvenile Court**

As part of the Chancellery of the Civil Section of the Juvenile Court of Bologna, I was initially assigned to the Adoption Office, where I was responsible for:

- studying and the reorganisation of the various files relating to the different types of adoption;
- relations with the public.

I was then assigned to the MSNA office (unaccompanied foreign minors) where I spent most of my traineeship hours dealing with:

- managing the files of unaccompanied foreign minors.
- registrations;
- notification process of the assignement of a legal guardian;
- the procedure for closing and filing the various files;
- updating the various files by entering the acts and the update reports sent by the social services. - I also attended criminal hearings.

Professional Skills

- Legal, jurisprudential, doctrinal research within the Italian, French and European legal system;
- Ability to work within several legal systems through comparative study and analysis;
- Legal translation: Italian-French/French-Italian;
- In-depth knowledge of European and international law with a focus on human rights (civil rights, social rights) thanks to the drafting of various dissertations;
