### **Professional Skills**

Management and leadership skills: thanks to the different paths I have supported, I have been able to refine my organizational, management and leadership skills.

In particular, thanks to my experiences as a teacher and as Yves Rocher group leader, I have enhanced my ability to coordinate a group of people, both as a class group and as a team. This skill has also been used and enhanced in my spare time through my involvement as referent for the local organization of "Libera, associazioni, nomi e numeri contro la mafia".

Communication and interpersonal skills: the different work activities supported have allowed me to interface with different personalities and age groups learning how to communicate and manage an interpersonal appropriate relationship to each of them.

### **Language Skills**

Italian: native language  
English: intermediate level

### **IT Skills**

EIPASS certification

Word processing: advanced  
Spreadsheets: basic
