Professional Skills

Legal skills: thanks to the university course and the various work experiences, I learned the fundamentals of law and the methodology of legal research useful for solving problems and legal issues mainly of a labour law nature. As a result, I have developed a good ability to write legal and deal with both legal and jurisprudential sources.

Organizational skills: thanks to the long course of study and numerous and varied volunteer experiences, I have achieved skills in managing situations and activities with medium-sized groups. I know how to organise even complex activities keeping in mind the time available and the quality of the project to be completed.
