Professional Skills

Legal skills: thanks to my university career and internship experience in professional firms, I learned the ability to deepen certain aspects of criminal, civil and labor law. In particular, through the study of individual cases in which I have collaborated through the realization of research on peculiar aspects of substantive law and through the drafting of judicial acts.

Language Skills

Italian: native

English: European level B2

Spanish: European level A2

IT Skills

Word processing: highly specialized

Presentation software: highly specialized

Database management systems: basic knowledge

Office suite: highly specialized

Web browser: highly specialized

Spreadsheets: Specialized

Personal and Social Skills

Reliable, loyal, motivated and willing, curious, inclined to compare with others, ability to listen and work in a team but also individually, high ability to organize.

Non-professional Interests

Curiosity in painting and photography; great interest in sport, in particular in artistic gymnastics and in the gym (weight room).
