Professional Skills

Labour Law skills: thanks to my academic path, I have acquired knowledge about the general principles of the international, European and national legal system, particularly deepening anti-discrimination law related topics.

www.adapt.it - formazione@adapt.it

Human Capital Formation skills: both thanks to my university studies and my experience as an instructor, I had the opportunity to explore topics related to the field of formation and to directly act within a VET context.

Welfare skills: thanks to my academic path, I have acquired knowledge about welfare related topics, particularly dwelling on the transformations of the welfare state in terms of social innovation and welfare mix.

Language Skills

Italian: mother tongue

English: advanced-level

French: beginner-level

IT Skills

MS-Office suite: highly qualified

Social networks: highly qualified

Windows and macOS operating systems: highly qualified

Personal and Social Skills

As an active listener and communicative person, I am very curious and detail-oriented, always looking for new learning opportunities. The cognitive flexibility and the critical-analytical skills acquired during my academic path enable me to deepen the study of different topics. I have good time management competences and I enjoy working both in team and individually.

Non-professional Interests

Passionate reader, traveller, dancer and swimmer.
