Professional Skills

Labour Law: thanks to the experience gained, I had the opportunity to deepen my knowledge of labour law, as well as to interact and work closely with various professionals (in-house lawyers, payroll specialists, HR and experts in industrial relations) and with well-structured/multinational companies operating across different sectors

DE&I (Diversity, Equity & Inclusion): thanks to the experience gained, I also had the opportunity to deepen my understanding of the labour law aspects of DE&I (Diversity, Equity & Inclusion), participating as a speaker in master's courses and seminars for professionals focused on the prevention and contrast of all forms of workplace discrimination

European and International Law: thanks to my studies, a brief experience abroad and my work experience, I have been able to deepen my knowledge of European and International law, with a particular focus on human rights, European Single Market and European labour law

Language Skills

Italian: native
