Professional skills

Legal skills: my university period made me able to understand and apply the fundamental legal categories of Italian, European and international law.

The subject of my thesis ('Liability in the maritime transport of hydrocarbons and dangerous and harmful substances') offered me the opportunity to conduct a comparative analysis of legal terminology in English, French and Spanish.

Organisational skills: excellent summarising skills, good management of team work, excellent deadline management.

Languages

ITALIAN NATIVE SPEAKER

ENGLISH ADVANCED, both written and spoken; also legal.

SPANISH ELEMENTARY

IT Skills

Productivity (word processing, spreadsheets, presentations): advanced user

Data storage, database: advanced user

Operative systems: advanced user

IT security: advanced user

Network architectures: advanced user

Programming languages: basic knowledge

Personal and social skills

I am curious and committed to continuous learning, and I have a great attitude towards problem solving.

I have advanced relational and communication skills, also when communicating in English, which I acquired during my education and volunteering periods in Italy and abroad.

Great teamwork skills but also good autonomy when working independently.

Emotional intelligence.

Other interests

Since 2022 I have been attending **formation events abroad**, organised by *European Free Alliance Youth* association in many European Countries. Working groups composed of young people from all across the continent addressed issues relating to democratic representation, youth condition and cross-border integration («Linguistic and cultural minorities across Europe», «European minorities and effective political participation in elections», «European minority youth and migration brain-drain», «Border regions, living labs of European integration?»).

I play the pipe organ.

Personal info

Born in San Daniele del Friuli (UD) on 07 July 2000. Italian citizen.

Actually living in Trieste.
